

until my retirement in 1979. I enjoyed teaching young people and in 1971 I was recognized as an outstanding Teacher of America. In 1978 I was nominated as one of the teachers from Utah for the National Teacher of the Year.

After graduation from Primary, I became secretary of the Heber Second ward Primary and have held a position in the Church from that time. I served phases of Primary work from the beginners class, In-service to the Presidency. In Sunday School, I have been a teacher and Junior Sunday School Coordinator. I was Beehive leader, Laurel leader, speech director, in-service leader and served in the MIA Presidency.

Don and I served in the Micronesia-Guam mission 1980-82. They are a beautiful and loving people living in the islands of the sea who have been responsive to the Gospel. After returning from our mission I had the privilege of working in the German extraction program and am now serving as the Sunday School Teacher Development Leader; and we are workers in the Provo Temple.

In addition to my professional and church activities, I have had the opportunity to participate in various community activities. These include 4-H club, County Fair activities, DUP and the Shakespearean Literary Club.

I have spent most of my life in the Heber Second Ward which offered me many opportunities for growth and development.

From the time my parents joined the Church, it was a family dream to join the Saints in America. When the opportunity came,
